

Association Portal

Dashboard – My Login

1. If you need to update the email or password that you use to log into the portal, click on “My Login” under the Owner section of the left-hand menu.

2. Enter the new email address you would like to use as your login.
NOTE: Changing this email WILL NOT change the email used to send out official communications.

3. Enter the new password you would like to use.

NOTE: Changing this password WILL NOT change any other account passwords.

4. Be sure to remember your new credentials as you will need them to log into the portal next time!
